Camp Descriptions

Ballet Camps: These story ballet camps are designed to introduce students ages 3 – 12 to the theatrical dance of Classical Ballet. Instruction in classical ballet is combined with costume, props, drama and the magic of children's stories. The camp's special activities are designed around the developmental skills of these young dancers and take place in a fun yet structured environment.

Hip Hop/Jazz Camps: These camps are a wonderful opportunity for children to express their energy and enjoy today's latest dance styles. Dancers will learn a variety of hip hop and jazz steps in a fun, creative and upbeat class.
